

Scout Bucks

Procedure

For each of the listed activities a Scout receives credit for "Scout Bucks" in a spreadsheet maintained by the Treasurer based on the attendance sheets submitted by the Scribe. An auction is held twice a year at the court of honor after Tomahawk and at Christmas Camp. Scout Bucks are issued prior to the auction by the Scribe. The Scout is able to use their Scout Bucks to bid on various items purchased by and donated to the Troop. Scout Bucks are only good until the issue is retired. Once paper scout bucks have been issued, it is the scouts responsibility to not lose any Scout Bucks which were not used at an auction. Scout Bucks will not be reissued.
